5. Finalization of RC Report

- Final Report
- Publication and Announcement

2020 IANA Numbering Services Review Committee Report was displayed on screen to support the discussions.

Members of the IC suggested various editorial changes. The report was updated on screen as various comments were brought up.

GV noted that the IC should confirm that they were OK with the content of the document, especially with the conclusions, confirming that the report needed to be finalized by 10 March.

At this point, LL joined the meeting (12:44) and the following action item was decided:

New Action Item 210308-2: LL to include the RIR IANA Numbering services review Matrix in the IANA RC report and circulate the new document to the list. All members of the RC to take a look at the final document within the next 48 hours so that it can be published on 10 March.

MS and MH excused themselves and had to leave the call at 13:00 UTC.

After adjusting a few additional details, the report was considered finalized.

6. Next Meeting

After discussing whether one or two additional RC meetings would be held, it was agreed that a single meeting would be held two or three weeks after the report was published.

New Action Item 210308-3: GV to prepare a Doodle poll to decide the date of the final meeting of the RC meeting during weeks 13 / 14.

7. AOB

No further business was brought up for discussion.

8. Adjourn

BC thanked everyone and the meeting was adjourned at 13:13 UTC.
